

H2L

MARKETING PREFERENCES

We're really confident in our ability to help landlords and tenants using our range of services but we do understand if you'd prefer not to hear from us again.

If you're not currently working with H2L and have received marketing SMS text messages from us and would like to opt out of receiving future texts, please text **SELECTSTOP** to **60777** and we promise to take you off our systems.

Thanks for taking the time and trouble to let us know and we wish you all the best.

If you're a landlord or tenant already working with us, please note that we may still contact you by SMS should we need to contact you regarding your tenancy agreement or any aspect of the management of the property.
